In-house Training

Merit-based Promotional Program

Bay Ship & Yacht (BSY) is actively seeking painters of all experience levels with the application of industrial coatings to various structures and fixtures. If you have industrial/residential painting experience and a desire to build or continue your career through training and innovation, we are the right fit for you! We are currently looking for candidates for the following positions:

Marine Painter Trainee

Qualified Candidates for this Position Possess:

- Some painting experience or training
- Familiarity with airless and/or conventional spray painting
- Fluency in the English language (verbal and written)
- Ability to lift up to 70lbs and move equipment
- Reliable transportation and availability to work overtime as requested
- Basic hand tools required to work within the craft
- Desire and ambition to learn and develop job skills

Journeyman Marine Painter

Qualified Candidates for this Position Possess:

- Recent painting experience – (Marine/Industrial Certification *preferred but not required*)
- Knowledge of marine or industrial coatings and their proper application
- Experience in airless and conventional spray painting
- Sandblasting experience
- Fluency in the English language (verbal and written)
- Ability to lift up to 70lbs and move equipment
- Reliable transportation and availability to work overtime as requested
- Personal tools required to work within the craft

Skills Testing—Candidates may take a pre-employment skills test demonstrating airless and conventional spraying techniques to be considered for advanced positions. When scheduled, a candidate must bring the following personal tools for the testing process: airless and conventional spray guns, coveralls, steel toed-work boots and leather gloves.

Work Environment—The Marine Painter is a production worker who will be working in an industrial environment where work is performed in a variety of areas including elevated heights and confined spaces. They may also be subject to loud noises and fluctuating weather conditions.

To apply – visit the Employment page on our website www.bay-ship.com.

All new hires must provide identification to verify eligibility to work in the U.S., pass a pre-employment medical exam which includes a drug screening and physical abilities assessment.

Bay Ship & Yacht Co. is an Affirmative Action and Equal Opportunity Employer.
