

## Project Manager, Ship Repair

Bay Ship & Yacht, a modern shipyard located on the waterfront of San Francisco Bay in Alameda, CA, is seeking strong candidates for our Project Manager position. Every project in the yard is directed by a Project Manager - from small, quick turnarounds to major overhauls and refits. Key job duties include:

- Management and oversight of the project workforce and its administrative support
- Responsibility for the profitability, quality and work schedule of each project
- The ultimate satisfaction of each customer whose vessel the Project Manager is in charge of.
- The optimum application of company resources while successfully completing each project.

An ideal candidate has:

- Project management experience, education and training (4 year degree or equivalent) - preferably in a construction or facility environment.
- Been responsible for contractual, financial and general administrative processes for projects of significant size and complexity.
- Strong project management skills, including the ability to plan and schedule work effectively.
- Experience with managing project workforce, material & equipment resources efficiently.
- Good oral and written communication skills in English.
- A strong commitment to customer service and satisfaction at all times.
- Knowledge and experience with ship repair and/or boatbuilding is not required but is advantageous.

We provide drydocking and repair services to most of the commercial and government vessels on the Bay, including tugboats, ferries, Coast Guard cutters, cruise ships, pilot boats, yachts and marine vessels of all kinds. Our workforce includes many skilled welders, painters, machinists, pipefitters, electricians, dockmen and fabricators. The great variety of marine vessels drydocked at our shipyard provides challenging and interesting work for a Bay Ship Project Manager

We offer an excellent benefit package, including a 401(k) plan with profit sharing component, paid vacations & holidays as well as health, dental & life insurance. If you are looking for an exciting career on the waterfront of San Francisco Bay, we'd like to hear from you. To apply - fax, email or mail your resume to Human Resources. In addition, you **must submit** a completed company employment application (available under the "Employment" drop-down menu from the home page of [www.bay-ship.com](http://www.bay-ship.com))
